EDUCATION

- **Graphic Era Deemed to be University** — Uttarakhand, India
  Bachelor of Technology - Computer Science and Engineering; CGPA: 8.1 — 2021 - 2025
  Courses: *Operating Systems, Data Structures, Analysis Of Algorithms, Artificial Intelligence, Machine Learning, Cloud Computing, Databases*

- **Greenwood Public School** — Gurugram, India
  Class XII:- Percentage: 84.9%   Class X:- Percentage: 94% — 2019 - 2021
SKILLS SUMMARY

- **Languages**: C/C++, Python, HTML5, CSS3, Javascript, SQL, Java(Intermediate)
- **Frameworks**: ReactJs, Django, Material UI, Bootstrap
- **Soft Skills**: Decision Making , Task Management, Problem Solving
- **Developer Tools**: Git , Google Cloud Platform, MongoDB , Postman

EXPERIENCE

- **Freelancing, Chegg India:** — Remote
  Subject Expert — *(Mar 2023 - June 2023)*
  - **Online Tutoring**: Provided tailored academic solutions to a global student community through Chegg's online platform, offering expert assistance in Computer Science and consistently achieving high student satisfaction ratings.

ACADEMIC PROJECTS

- **Fake News Classifier using LSTM** 🔗: | *LSTM RNN, Tensorflow, Keras* — May 2024
  - : Created a LSTM RNN model that classify the news from the dataset to fake or true news.
  - : Implemented use of tensorflow, keras and numpy to train RNN model and achieved the highest accuracy score of 0.9980 and loss of 0.0075.

- **Vogue Store** 🔗: | *MERN , HTML , CSS , JavaScript* — Jan 2024
  - : Developed a **MERN Stack Web Application** for E-Commerce with online admin support.
  - : Incorporated features such as user authentication , cart , application track and payment gateway.
  - : Integrated **MongoDB** database to keep track of user/admin profiles and product/category entries.
  - : Used Braintree to track and keep records of payments for both paypal and card payments.

- **URL Shortener using Django** 🔗: | *Django , HTML, CSS, Javascript* — July 2023
  - : Created a **Django** Project which helps user to convert the long URL into Short URL.

ACHIEVEMENTS

- **Oracle Certified Foundations Associate** 🔗 :
  - : Received Oracle Cloud Infrastructure 2024 Foundations Associate Certificate — July 2024
- **Google Cloud Platform Skill Boost** 🔗 :
  - : Completed GCP labs under GDSC GEU cloud fascilitator.
  - : Received GCP badges for completion of each lab.
- **LeetCode** 🔗 **Maximum Rating 1580** :
  - : Solved over **380+** problems on the platform, with streak of **280+** days.
- **CodeChef** 🔗 | **Maximum Rating 1449** :
  - : Earned **Global Rank 386** out of 20k+ participants in Starters 118.
  - : Solved **570+** problems with a daily streak of 230+.
- **Hackerrank** 🔗 | **4 star** :
  - : 4 star profile in C, C++
- **IEEE** 🔗 | **Intern** :
  - : Received certificate for the completion of 12 Weeks Internship on Artificial Intelligence and Internet of Things: Innovation and Applications under IEEE.

VOLUNTEER EXPERIENCE

- **Member at Google Developer Student Club GEU** — Dehradun, India
  Conducted online and offline technical & soft-skills training impacting over 500 students. — *August 2021 - Present*

- **Event Organizer** — Dehradun, India
  Organized various events and workshops impacting over 800 students. — *September 2022 - Present*
